

**Dean's
Society**

Welcome

Rotman

Our mission is to be a catalyst for positive change: rooted in transformative learning, informed by original insight and inspired by the biggest challenges in business and society. We distill our shared beliefs down to four fundamental principles – Diversity, Excellence, Integrity and Respect.

Thank You

The Dean's Society honours a committed global network of generous donors whose investment in the Rotman School enables us to take insights to impact. Members of the Dean's Society are our most generous annual leadership donors, and they exemplify the power of our Rotman community.

As you know, the economic and societal challenges that define our times are complex, interconnected and urgent. Every day at Rotman, I'm inspired by our students, faculty and partners who are tackling these challenges with boldness and ingenuity.

Visitors to Rotman often comment on the invigorating energy that animates this School. No wonder. Our students are launching and advancing their careers; researchers are developing breakthrough ideas; and thought leaders are exchanging and applying insights, creating value for business and society. All of this is fueled by philanthropy.

The mix of rigour and creativity that animates our programs also attracts a growing number of extraordinary students from around the world, who gain access to a remarkable network of scholars, entrepreneurs and business leaders.

They study with faculty members whose work has placed Rotman among the world's top research institutions. And through our renowned research centres, institutes and labs, they interact with researchers and partners who are tackling real-world business problems from fresh new perspectives.

Rotman couldn't achieve such impact without your critical leadership support. I want to express my heartfelt gratitude to our growing community of generous investors. We're energized by your commitment to creating value together, and we're inspired by your vision.

Welcome to the Dean's Society.

Susan Christoffersen

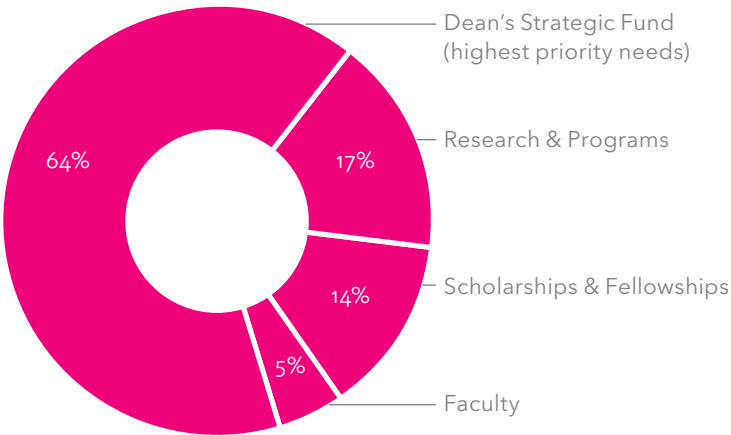

Dean, Rotman School of Management

Impact

The Dean's Strategic Fund is like a venture capital fund. It serves as a catalyst for immediate growth, providing the critical annual resources required to respond to emerging priorities and opportunities.

Members of the Dean's Society are integral to the Fund, providing 80% of our annual donations. Your leadership support provides the Dean with the resources required to continually enhance the Rotman experience through investing in areas such as:

Your Investment at Work

Together, members of the Dean's Society create a powerful global network of donors who are committed to investing in bringing together the brightest minds, cutting-edge resources and world-class support systems. Rotman is a place that brings people together to ignite change.

Highest Priority Needs

In this ever-changing and highly competitive world of business education, gifts in support of the School's highest priority needs provide the Dean with the flexibility required to invest in the most pressing needs of the time. These gifts are used to support continuing and emerging priorities that will have the greatest impact on Rotman's ability to advance teaching, research, and create value for business and society.

Student Support

As competition for the top talent in Canada and around the world continues to intensify, the need for student scholarships has never been greater. Whether it's recognizing and rewarding excellence, or ensuring that every promising student has access to a world-class Rotman education, regardless of their financial circumstances, scholarships are a top priority for the Dean. As such, the School invests an additional \$10M in student scholarships on top of the generous support received from our Dean's Society members.

Student Initiatives (Clubs)

Clubs play an integral role in the Rotman experience. Led and organized by students themselves, the clubs run a robust calendar of social and networking events, case competitions and guest speakers that enrich the social, networking and career-building experiences that are essential for success.

Infrastructure

Building on the future of Rotman, world-class infrastructure plays a key role in welcoming our students and partners to experience a vibrant and robust community of passionate scholars. The importance of having a facility which is commensurate with the School's leading reputation on the global stage can not be understated.

Faculty & Knowledge Creation

Our students gain exposure to some of the world's leading business thinkers. In the classroom, our top-ranked faculty provide students with access to the latest research before it filters into consulting firms and major corporations. Our faculty members are renowned for their groundbreaking research, published work, and authoritative insights into an exceptionally wide range of management issues. Rotman faculty are currently ranked in the global top twenty by the *Financial Times* for their research output.

Dean's Society Leadership Levels

Together, members of the Dean's Society form a powerful global network of leaders who drive growth and innovation, creating new benchmarks for success. As a special thank you to our most generous supporters, we invite you to stay connected, visit us often and take advantage of this unique and distinctive program.

U of T Presidents' Circle

A club for donors who reflect the leadership of our past presidents. All Rotman Dean's Society Members whose annual gift amounts to \$1,827 or more are automatically acknowledged as Presidents' Circle Members.

Presidents' Circle

Since 1977, the Presidents' Circle has honoured donors whose commitment to the vision and leadership of U of T's Presidents – present and past – has enabled the University to achieve prominence in Canada and internationally.

Vision and leadership

Commemorating the University's Royal Charter of 1827, all individuals with annual gifts of \$1,827 or more and corporations with annual gifts of \$10,000 or more receive special acknowledgement as welcomed members of the Presidents' Circle – a unique recognition society for those donors whose commitment reflects the vision and leadership of the University's past presidents.

Presidents' Circle Events Series

As a Presidents' Circle member, you are invited to attend special lectures and events presented by the University's most celebrated, insightful and inspiring professors. We hope that you will join us at the various events throughout the season to thank you in person for your support of Rotman and the University of Toronto.

The Donor Bill of Rights

Philanthropy is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life. To assure that philanthropy merits the respect and trust of the general public, and that donors and prospective donors can have full confidence in the not-for-profit organizations and causes they are asked to support, we declare that all donors have these rights:

1.

To be informed of the organization's mission, of the way the organization intends to use donated resources, and of its capacity to use donations effectively for their intended purposes.

2.

To be informed of the identity of those serving on the organization's governing board, and to expect the board to exercise prudent judgment in its stewardship responsibilities.

3.

To have access to the organization's most recent financial statements.

4.

To be assured their gifts will be used for the purposes for which they were given.

5.

To receive appropriate acknowledgement and recognition.

6.

To be assured that information about their donation is handled with respect and with confidentiality to the extent provided by law.

7.

To expect that all relationships with individuals representing organizations of interest to the donor will be professional in nature.

8.

To be informed whether those seeking donations are volunteers, employees of the organization or hired solicitors.

9.

To have the opportunity for their names to be deleted from mailing lists that an organization may intend to share.

10.

To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers.

The Donor's Bill of Rights was created by the Association of Fundraising Professionals, the Association for Healthcare Philanthropy (AHP), the Council for Advancement and Support of Education, and the Giving Institute: Leading Consultants to Non-Profits.
