Networking Breakfasts and Coffee Chats
Industry professionals are invited to connect with our students and other industry peers to share career insights and exchange opportunities during our networking breakfast events and small group coffee chats.

Site Visits
Host a group of students at your location as a convenient alternative to on campus visits. Typical visits include a company presentation, a tour of your facilities, and a mix and mingle.

Our Career Centre team will help you design the right campus recruitment strategy to achieve your hiring goals. Engage with Rotman to enhance your corporate presence and build relationships with our students before making important hiring decisions.
