Rotman students are bold thinkers, representing the incisive, inventive and influential talent the world needs to solve today’s most complex challenges. Our students will become tomorrow’s business and community leaders.

Scholarships and awards make a Rotman education more accessible and rewarding for outstanding students from around the world. Through their support, our donors are investing in the next generation of leaders who will transform their organizations, start new ones and create value for businesses and society. - Jeffrey Skoll Scholarships
- Kevin Glass Scholarship

The impact of these awards is profound and ensures that exceptional talent will continue to flourish at Rotman for generations to come.

Congratulations to our students on your outstanding achievements. And to our generous donors – thank you so much for supporting their success.
