Morning MBA / Evening MBA
Masters programs for working professionals

A New Way To Think

Rotman
Accelerate with Rotman.

Earn your MBA before your work day begins, from 7:00 – 8:59 am or after work in the evening, from 6:30 – 8:30 pm, twice a week.
Our Strength, Your Success
We have built a global reputation on our vision for business education. Our unique approach to problem solving will position you to tackle the global business challenges of the future.

Rotman Welcomes a New Dean
In July 2014, the Rotman School welcomed Tiff Macklem as our new dean. A leader in national and international financial systems, Mr. Macklem was previously Senior Deputy Governor of the Bank of Canada.

Rotman is positioned to accelerate the careers of working professionals. The Rotman School of Management at the University of Toronto is the #1 business school in Canada and ranks in the global top 10 for faculty and research. Our reputation and the strength of your alumni network will influence your career for life.

#1 Business School in Canada.
— Financial Times, January 2014

“Since I work downtown on Bay Street, Rotman’s central location is ideal. I can go to class and learn valuable insights before heading to the office.”
Dallas Gray, MBA, Associate, Sales and Trading, TD Securities

“The program was a clear choice for me. It allowed me to directly apply my new skills on the job, and gave me an edge over my peers.”
Michel Proulx, MBA, Associate Director, Business Strategy & Planning, Bell Canada

“Rotman is Canada’s leading business school, and the Evening MBA has allowed me to continue to gain work experience while earning my degree. It’s the best of both worlds.”
Ryan Krook, MBA, Assistant Portfolio Manager, Equity Derivative Strategies, Ontario Teachers’ Pension Plan

Welcome to the Rotman School.

Rotman is positioned to accelerate the careers of working professionals.

The Rotman School of Management at the University of Toronto is the #1 business school in Canada and ranks in the global top 10 for faculty and research. Our reputation and the strength of your alumni network will influence your career for life.

Average number of years work experience: 5.5
The bonds of friendship and respect between Morning and Evening MBA students allow them to form a network for life.

Thanks to our cohort-based system, you’ll be with the same classmates for the first half of the program, giving you the opportunity to learn as much from your fellow students as from your professors. In the latter half of the program, you’ll be able to enlarge your network by engaging in elective classes with Full-Time MBA students.

Stay Connected
The Rotman Alumni network helps over 14,000 alumni in more than 70 countries worldwide stay connected.

We make it easy for you to engage with – and learn from – the larger Rotman community through alumni events and lifelong learning opportunities. Once you graduate from Rotman, you will join what will soon be the largest MBA alumni network of any Canadian business school.

Rotman alumni worldwide: 13,400
New graduates each year: 500
LinkedIn members of the Rotman alumni network: 4,400
89 regional envoys in 55 cities and 26 countries
The Rotman School is ranked in the global top ten for faculty research by the Financial Times, and number one for intellectual capital by BusinessWeek. That puts us in an elite tier of institutions taking the lead in the creation of business knowledge.

Learning from industry-shaping individuals raises the level of classroom debate and makes a significant difference in your educational experience.
THE ROTMAN ADVANTAGE

Downtown location + full-campus experience.

The Rotman School is part of U of T and is located just blocks from Bay Street and the local business community.

Classes take place at the Rotman building on U of T’s downtown campus, giving you full access to the School’s state-of-the-art facilities and its world-class faculty.

The School takes full advantage of its strategic location by drawing on a rich pool of business and political leaders as teachers, mentors and speakers. A wide variety of academic and research partnerships exists between Rotman and the corporate world, making this an ideal place to learn a new way to think about business.

The value of a full-campus experience to your personal and professional development cannot be understated. Thanks to our downtown location, you’ll gain unprecedented access to our world-renowned faculty.

You’ll also be able to interact with thought leaders through speaker series, social and networking opportunities, cross-program interactions and more.

Program and career services staff are available at the School to meet one-on-one and help you negotiate your degree and career.

Japanese-Canadian John-Paul Sado, MBA ’15

Product Manager, ShawCor Ltd.

Prior experience:
Business Analyst, ShawCor Ltd

Prior education:

University of Toronto
Year One: Foundations
Beginning in August, the first year is focused on helping you to build a core MBA toolkit in the major functional areas.

Year Two and Three: Specializations
The second half of your Rotman MBA is all about choice. You can specialize by selecting from a wide range of electives.

Electives
More than 90 elective courses allow you to customize your MBA experience. While some electives take place during regular working hours, many of the most popular are offered in the morning and evening. (See ‘At a Glance. Your MBA’ at the back for a list of electives).

THE ROTMAN MBA
Learn + accelerate.

The Morning & Evening MBA programs let you maintain your work schedule, study and accelerate your career.

The Rotman Morning & Evening MBA are 32-month programs. The first half of each consists of a core curriculum that introduces you to the fundamentals of business. The second half is about choice. You can specialize by selecting from a wide range of electives.
Business Problem Solving
Success in today’s business world depends on the ability to tackle the most complex business challenges.

At Rotman, we believe that the explicit use of models can help you define and structure problems to reveal creative solutions. That’s the premise of the model-based methodology that runs through the Rotman MBA curriculum.

Business Design
Business Design is an innovative approach to problem solving that applies design methods and mindsets to business. Rotman’s Business Design electives give you hands-on experience in this exciting field, in flexible formats that range from interactive courses to design projects.

Self-Development Lab
To be a truly effective problem solver, you need more than just excellent analytical and technical skills. Through a series of personalized workshops and intense small group feedback sessions, the Self-Development Lab develops your understanding of what motivates you and those around you. Become a more effective leader and communicator in your own authentic style, and learn how to inspire your colleagues into action.

Self-Development Modules
• Voicing Yourself
• Self-Management
• Business Writing
• Presentations
• Presence
• Integrative Dialogues
• Real-Time Business Problem Framing

“Rotman may well have the most far-reaching personal development initiative of any MBA program in the world.”

John Byrne
Editor-in-Chief, Poets & Quants,
Founding Editor of Bloomberg Businessweek MBA Rankings

LEADERSHIP
Expand your potential.
Learn how to inspire others into action.

Rotman will empower you with the skills and insights you need to lead in a challenging world.

In a competitive job market, it takes serious focus, drive and leadership skills to take your career to the next level. At Rotman, you will gain access to a suite of career services designed for working professionals.

"The program is an intense, challenging and exciting journey that is fundamentally transforming my leadership capabilities.”
Find out just how far you can grow.

Rotman offers an array of opportunities to engage with the Rotman community and to broaden your impact as a future leader.

Creative Destruction Lab

Launched at the Rotman School in August 2012, the Creative Destruction Lab is one of the world’s fastest growing venture labs. The eight companies from the first cohort of the Lab have generated over $90 million in equity value, with the support of seven of Canada’s most prominent and successful entrepreneurs. Rotman MBA students play a vital role at the Lab by providing aspiring entrepreneurs with the strategic insights they need to turn their research innovations into high-growth ventures.

BMO Financial Group Finance Research and Trading Lab

This state-of-the-art facility allows you to hone your skills as a trader and analyst by giving you access to tools and real-time information on the global markets. The Lab has 65 dual flat panel stations equipped with Thomson-Reuters Eikon platform, S&P Capital IQ, real-time data feeds, three Bloomberg terminals, and two media/data walls. The Lab offers a growing stack of custom-designed applications for simulation-based training, financial research, and strategic decision-making.

Intellectual Hub

Each year, Rotman hosts over 100 public talks by international bestselling authors, top management executives and other influential thought leaders. Recent speakers have included:

• David Kelly, Founder, IDEO
• Richard Saul Wurman, Founder, TED Conferences
• Malcolm Gladwell, New York Times #1 Bestselling Author
• A. G. Lafley, Chairman, President and CEO, Procter & Gamble
• Brian Mulroney, former Prime Minister of Canada
• Kirstine Stewart, Managing Director, Twitter Canada
• Irene Rosenfeld, CEO, Kraft

BEYOND THE CLASSROOM

Broaden your impact.

Find out just how far you can grow.

Rotman offers an array of opportunities to engage with the Rotman community and to broaden your impact as a future leader.

Student Clubs

Industry clubs play a key role in your career exploration and success, while social and cultural clubs give you the opportunity to build a network and explore your interests outside of class. Led and organized by Rotman students themselves, the clubs run a rich calendar of social and networking events, case competitions and guest speakers.

Case Competitions

Each year, Rotman students travel around the world to take part in case competitions, where they are challenged to apply their skills and knowledge to a real-world problem faced by a corporation. The School hosts a number of well-known events such as the Rotman Design Challenge. Case competitions allow you to test out your business knowledge and sharpen your team-building skills.
