**BEST THING ABOUT MY JOB:** Working with great people and being challenged every day.

**MY BIGGEST CHALLENGE:** Finding time for everything I want to do while maintaining work-life balance.

**MOST IMPORTANT SKILLS FOR MY JOB:** High energy, prioritization, influence.

**PROUDEST MOMENT:** After mowing the lawn.

**THE WORD THAT BEST DESCRIBES ME:** Tenacious.

**HOW I RELAX:** Jogging, enjoying wine with friends, lying in the sun with my cats, eating Ben and Jerry's.

**MOST IMPORTANT THING MY MBA TAUGHT ME:** Teamwork counts.

**WORDS OF WISDOM:** If you're not part of the solution, you're part of the problem.

**A 'WICKED' PROBLEM I'VE HAD TO TACKLE:** Overcoming some inter-office conflict by gathering team members to discuss difficulties and find mutual ground.
