

Financial Analysis for HR Professionals

Rotman

#1 in Canada for
Open Enrolment
THE FINANCIAL TIMES 2019

See the bigger picture.

Out-perform to stand out.

Human resource professionals with strong financial skills out-perform their counterparts. Investing in your development can provide you with a better understanding of your organization's big-picture priorities, how each interrelated aspect of the business connects and overlaps, and gives you the ability to contribute the bottom line.

Practical learning you can apply right away.

Rotman's Financial Analysis for HR Professionals program fills in the gaps in your education with practical learning on:

- » Corporate strategy
- » Financial reports
- » Metrics
- » Shareholder value

Learn what is on a balance sheet and income statement through hands-on exercises, cases, and real time examples from different industries. By the end of the two days, you will be able to understand cash flow statements, determine the right questions to ask your colleagues, and build confidence when using financial metrics.

Who should attend?

This program has been designed specifically for human resource professionals including managers and directors from both the private and public sectors, as well as those who sit on a board.

Flexible leadership training

Our Financial Analysis for HR Professionals program is eligible towards our Excellence in Executive Leadership Certificate. Gain recognition for your ongoing professional development and distinguish yourself as a top leader with our curated certificate.
