THE FINANCIAL TIMES 2018

Develop a fresh, personal and introspective approach to leadership and decision-making that characterizes all great leaders.

“When effective leadership happens, it happens at all levels. It reaches the head with a clear sense of direction, a compelling vision, a purpose that gives meaning to work. But it also reaches the heart, to the essence of who we are as humans, with a set of values that make us feel that our work contributes to making us a better person.”
