2019 Recipient of the University of Toronto PricewaterhouseCoopers MBA Fellowship
As Rotman student award recipients, you are the next generation of leaders in business and society. You put into action Rotman’s mission to be a catalyst for positive change.

You have learned to test conventions, explore alternatives, and use the fundamental insights of management thinking to cut through the noise in an increasingly complex and inter-connected world. And we are confident you will bring Rotman’s transformative energy with you as you build better businesses, better communities, better countries – and ultimately a better world.

But you won’t do any of this alone. In fact, these awards are a reminder of the many people investing in you along the way.

Scholarships and awards help outstanding students gain the knowledge, skills and confidence they will need to thrive in a world of accelerating change.

By investing in you, our valued donors are amplifying our impact.

This year, we distributed 183 donor-funded scholarships and fellowships to students. We are very grateful to all our donors. Special mention goes to our donors who contributed to six new awards:

- Moffat/Wiseman Fellows
- Peter Christoffersen Scholarship
- Sandra Rotman Healthcare Scholarship
- Scotiabank Latin America Scholarships
- Sydney Cooper MBA Scholarship for Engineers
- Yuwei Zhang and Family Scholarship

The impact of these awards is profound and ensures that exceptional talent will continue to flourish at Rotman for decades to come.

Congratulations to our students on your outstanding achievements. And to our generous donors – thank you so much for supporting their success, and enhancing our collective impact.

Tiff Macklem
Dean
