Preface:

Outside the Box

Welcome to LongView. Your customized report on *Pembina Pipeline Corporation's* corporate governance disclosure, process and structure.

Over the past 20 years, our researchers have learned that while there is likely no single best practice, good governance is a critical part of long-term, sustainable value creation. LongView is an evolution in governance reporting, enabling you to compare elements of *Pembina Pipeline Corporation's* governance to other issuers at a glance, while moving away from the Johnston Centre's previous judgment-based approach. The Johnston Centre has developed LongView reports for every issuer (207) on the S&P/TSX Composite Index (TSX Index).

Board Independence

There are a multitude of definitions and guidelines around director independence, which can make it difficult to meet everybody's expectations. The Johnston Centre understands that independence involves much more than can be measured on paper. We do, however, gather many variables related to the various relationships that directors might have to a company.

In this section, we summarize what we know about the independence of the *Pembina Pipeline Corporation* board and provide comparisons to other companies on the TSX Index.
